

Consultations

Our appraisal staff is available for consultations by appointment. If you are going through an unusual situation such as having been appointed executor to an estate, or if you are in a divorce situation, our staff would be glad to help you with your real estate value-related issues. If you have a conventional mortgage loan, you may be able to reduce your monthly payment in certain circumstances. Our staff may be able to provide you with the necessary information to help you make an intelligent decision in matters such as this. If you are planning to add-on to your existing home, install a pool, or build an outbuilding, it might be a good idea to talk to a professional about it before you make a mistake that could cost you a lot of money.
